Diamond Jubilee Celebrations SPECIAL MEETING 2022

Message from The Grand Master

I am glad to learn that the Regional Grand Lodge of Western India is holding its Diamond Jubilee Celebrations and Special Meeting at Jabalpur in Madhya Pradesh on 17th and 18th September 2022. The Brethren of the two Lodges in Jabalpur – Lodge Narmada No. 224 and Lodge Jabalpur Gems No.457 – are quite enthusiastic and dedicated and I am sure they will leave no stone unturned to make both the events are a grand success.

I compliment the Regional Grand Master RW Bro Dr. Yagnesh Thakar for choosing a city in Madhya Pradesh as venue for the Diamond Jubilee and the Special Meeting of the Region. We need to take Freemasonry to the hinterlands and smaller cities by organising such events there. This not only rejuvenates the Brethren of that particular area but also helps in spreading Freemasonry.

As you all know, Covid-19 pandemic adversely affected the functioning of Masonic Lodges all over the country. The Lodges have now resumed normal Masonic activity all over the country. The Diamond Jubilee Celebrations and the Special Meeting will provide the much-needed impetus to Freemasonry in the Region and infuse enthusiasm among the Brethren.

My best wishes to the Chairman, Organising Committee and its members.

Diamond Jubilee Celebrations SPECIAL MEETING 2022

Message from The Organising Secretary

"It is not the Beauty of the building is looked at but the construction of the sound foundation laid that will stand the test of time".

David Allen Coe

The Diamond jubilee celebrations is a rare festive moment that one waits to celebrate, and We are the lucky ones to have one.

Coupled with the Diamond jubilee we have our Special meeting, and no better place can there be to choose than Jabalpur, the Sanskardhani of the country, known for its hospitality. The Jabalpur Masonic fraternity is Grateful to R W the Regional Grand Master R W Bro Dr Yagnesh Thakar for giving us the opportunity to host the upcoming Diamond Jubilee Celebration.

Jabalpur, the central city, is well connected by good roads, air service and railway trains. Please choose your mode of travel and reach here and rest we will take care.

The weather in Jabalpur is just great the monsoons are over, woollens are not required hence a light travel bag is enough for the brethren and the esteemed Ladies of course do require an additional bag.

We have planned the fun filled program for the entertainment of ladies to make them comfortable (while we sharpen our tools and open more avenues in quest of knowledge ???).

The venue Vijian Mahal is a five-star property having about 85 rooms. The food and hospitality is just what one wants when he is away from home. Rooms are big and spacious. Our hearts are big too. Conveyance from the designated hotels (bus) will be provided on fixed time basis, to and from, to the venue. Travel desk for the convenience of arriving guests has been arranged. We will make all the efforts to ensure that you are at ease and have comfortable here with us. Your early confirmation will boost our confidence to offer you best possible hospitality.

Kindly do feel free to just pick your phone and call us.

Looking forward to hear about your plans.

And yes, do come with your family.

Waiting to receive you.

Yours affectionately

ABOUT JABALPUR

Located in the centre of Madhya Pradesh, Jabalpur is one of the most important cities in the State. It is situated in the 'Mahakaushal' region and gets its name from history, being the native land of the great 'Jabali Rishi'. Its scenic beauty made it a pleasure resort of the Gond Kings. Jabalpur is a city of growing commercial importance, though it is more renowned for its scenic charms, in particular the magnificent Marble Rocks. Spread across the Vindhyan ranges, it's a beautiful paradise for archaeologists and geologists. The rich chronicling legend of Jabalpur is visible in various forts, monuments and temples, which are visible in different parts of the city and have now, become major tourist attractions of Jabalpur.

TOURIST ATTRACTIONS

CHAUSATH YOGINI TEMPLE

Circular in shape with a diameter of 125 feet, the Chausath Yogini temple attracts believers and others alike. Images placed on its pedestals can be associated to three different periods. Few images belong to the Kushana period, the other to post-Gupta period and the third set belongs to Kalachuri style that existed between 10th and 13th century. You need to climb 108 steep steps to reach the temple.

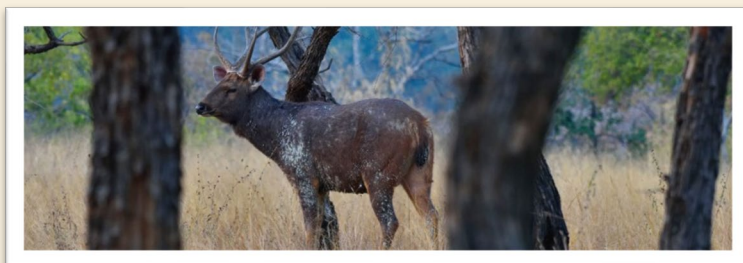

BALANCING ROCK

The Balancing Rock formations of Jabalpur, which are basically eroded volcanic rock formations, have also survived earthquakes of magnitude up to 6.5 on the Richter scale. It is believed by the local people that nothing can disrupt the balance of these rocks.

KANHA NATIONAL PARK

Spread across 940 sq.km, Kanha National Park is one of the largest parks in Madhya Pradesh where the majestic Royal Bengal Tigers are found in good numbers. The Park is respected globally for saving the Barasingha from near extinction. National Geographic's award winning 'Land of the Tigers' was shot here, and the park is home to leopards, wild dogs and the Barasingha as well. A safari in Kanha is filled with sightings and adventurous thrills and is a must.

Diamond Jubilee Celebrations SPECIAL MEETING 2022

MADAN MAHAL FORT

A construction belonging to the 11th century, Madan Mahal Fort is a stunning example of the architectural splendour of the past. Constructed by Madan Shah, son of Rani Durgavati, a Gond ruler, the fort served as a watch tower during the reign of the queen. Situated at a height of 500 meters, the fort offers an excellent view of Jabalpur.

MARBLE ROCKS

Situated 25 km away from the main city of Jabalpur on the banks of Narmada River, the Marble Rocks at Bhedaghat present a spectacular image. Rising to a height of a hundred feet, these marble stones reflect sunlight and cast shadows on the pristine water of the Narmada, creating a serene and spellbinding sight. These marble like magnesium limestone rocks cast different colours in different lights and look especially beautiful in moonlight.

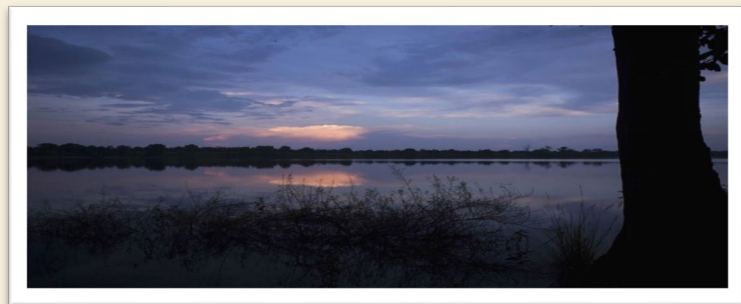

DHUADHAR WATERFALLS

River Narmada, considered one of the most important holy rivers in the country falls down from a height of 98 feet forming Dhuadhar Waterfalls. The name of the waterfalls in itself is suggestive of what you could expect there. The term 'Dhuan' means smoke; as the river falls down with force on hard rocks, you can see visuals of smoke rising, which gives the waterfalls the name. Yet another star attraction here is the famed Marble Rocks. Since boating facilities are available, you can have a wonderful experience here.

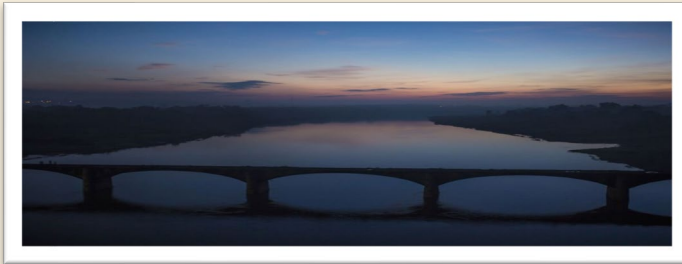

DUMNA NATIONAL PARK

You would be well rewarded by exploring the length and breadth of Dumna Nature Park, situated 10 km from Jabalpur. This eco-tourism site is home to a wide range of wild animals including jackal, spotted deer, leopard, wild boar and porcupine. It is also a bird watchers' delight as migratory birds flock here. It also has a children's park, restaurant and a fishing platform.
